Constitution of MForward

Preamble

MForward is dedicated to serving the students of the University of Michigan. We believe that through a passionate and steadfast commitment to student government, we can drastically improve life on campus. MForward seeks to include as many students as possible in our ongoing effort to change campus. We strongly believe in the benefits of a diverse campus and, inherently, a diverse student government. We are rooted in our commitment to diversity, integrity, and a drive to help others.

Article I

Purpose

The purpose of MForward is to use student government as a mechanism to create positive and substantial change at the University of Michigan. We are committed to running a diverse slate of candidates for office and we also seek to help interested students get involved with student government.
